

# Chip Curry

Songster, Fiddler  
and Teller of Tales

Let me take you to the hills... the valleys, and the old farms, many years ago, when music was self-made and the best entertainment came from sittin' around the pot belly stove. I play and sing with guitar and fiddle, songs old and new, about love, and dreams, and the good life. My programs are for all ages.

I have performed with Summerdog Bluegrass Band, Jubilee American Dance Theatre, and Westwind International Folk Ensemble, to name a few. We have toured in Europe, Mexico and the Western US. Our sponsors include the Western States Arts Foundation, Young Audiences, and the Arizona Commission For The Arts.

Give me a holler and I'll come by for some good old fashioned pickin' and grinnin'!
